

Getting to our office

Our reserved guest parking is here, in bays 6 and 7 with our logo on. Please reserve your space with your Rouse Partners contact prior to your meeting.

Look out for the Mercedes garage and you are almost here.

Here is the entrance to our reception.

In the unlikely event that our guest parking spaces are occupied, there is a Marks & Spencer car park located directly opposite our office which is accessible from Burkes Road.

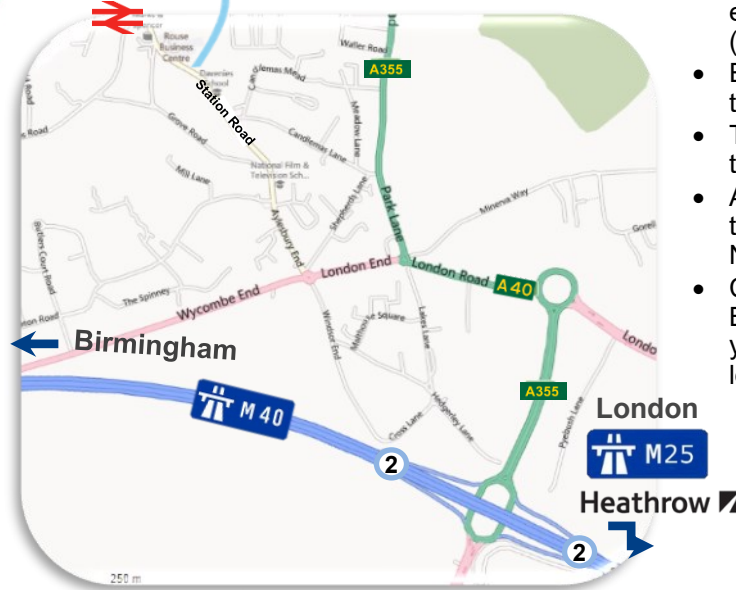

By Rail

Beaconsfield is on the Chiltern line between London Marylebone Station and Birmingham. From either direction, take a Chiltern train to Beaconsfield. From Marylebone, the trip time is usually 20-35 minutes and is two stops past Gerrards Cross and one stop before High Wycombe. It is a five-minute walk from the Beaconsfield station to Rouse Partners. From the station walk up the hill to Station Road and turn left. Walk along Station Road, and you will find Rouse Partners on the left hand side next to Hughes of Beaconsfield (Mercedes Dealership).
